Authentic Womanhood

September 13-15, 2019

Designed for young professional women, BLOOM2019 gives women an opportunity to discover their greatness as women of God with authentic feminine dignity. Through presentations, breakout sessions, and social gatherings, the participants will learn how to be an example of authentic femininity in every vocation and state of life. Our keynote speaker is Dr. Deborah Savage, a professor of philosophy and theology at the University of Saint Thomas. Your presence will enrich everyone.
